

we're hosting SteelDay!  
September 24, 2010

## AISC Invites you to SteelDay in New York City

The American Institute of Steel Construction (AISC) invites you to a special SteelDay evening presentation, networking event and cocktail reception in New York City. The event will be held at the Lincoln Center and is FREE of charge thanks to our sponsors, the **Steel Institute of New York** and **Owen Steel Company**.

This after-work event will begin with the presentation, **Building an Award Winning Structure**, in the **Opera Learning Center** followed by hors d'oeuvres and drinks in **The Stanley H. Kaplan Penthouse**. Attend both the presentation and reception or just the reception. There will be plenty of time for questions, discussions and networking.

### Event Details:

<b>Date:</b>	September 24, 2010	<b>Schedule:</b>	
<b>Location:</b>	Samuel B. & David Rose Building The Opera Learning Center (6 <sup>th</sup> floor) The Stanley H. 		<b>7:00</b>	Close
		<b>Invited:</b>	All industry professionals. Register early as space is limited.
		<b>Dress:</b>	Business casual

### About the Presentation:

*Building an Award Winning Structure* is an in-depth look at some of the recent winners of the IDEAS<sup>2</sup> Awards program, providing insight and knowledge about how project teams utilized structural steel to produce recognizable and high quality buildings and structures. You will see some amazing projects and learn how these top designers and constructors found solutions for a variety of engineering and architectural challenges. The presentation is registered with AIA for Continuing Education (1 hour).

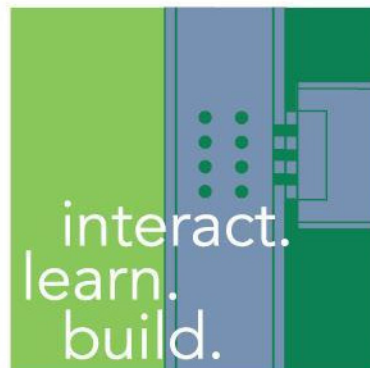

The IDEAS<sup>2</sup> Awards is an annual competition conducted by AISC recognizing Innovative Design in Engineering and Architecture with Structural Steel. Visit [www.aisc.org/ideas2](http://www.aisc.org/ideas2).
